

# Request for Bids to Construct an Ambulance Shed

Stewart County Commission

The Stewart County Commission is adding a 60' x 70' x 16' eave-gable building to house our ambulances and fire equipment. The building will be placed at 107 Health Department Road, Lumpkin, Ga. 31815. This location is behind a building which the Commission has rehabilitated to be the County's new EMS Center. The dirt foundation for the ambulance shed has been prepared. This project is to pour the pad and build the building on the pad. Here are the specifications:
