## **Stewart County Commission to Dedicate EMS Headquarters**

### **Following its March Meeting**

The Stewart County Commission will dedicate the new location for its EMS Headquarters as well as its brand-new Apparatus Bay following the regular March meeting of the Commission.

The regular meeting will take place March 10, 2026 at 4:30 pm at the EMS Headquarters Building located at 107 Health Department Road. It will end by 5pm, at which time the dedication ceremony will commence.

The Commission will re-dedicate the brick building in the front from its old use in serving people with developmental disabilities. A plaque honoring the Commissioners whose leadership led to the construction of the MR Center---Edward Lynch, Stonie Patterson, Joseph Booth, Bill Mayo, Joe Lee Williams, and Floyd Fort, along with County Clerk Diane Babb---will be unveiled.

In addition, a plaque honoring the Commissioners who led the restoration to its new use as the county's EMS and Fire Headquarters ---Joseph B. Williams, Arcola Scott, Thomas Mayo, Tyrone Nelson, and MaQuonzie Thomas, along with Chief Gregory Stewart, Assistant Chief Adam Griggs, EMS Clerk Jill Walker, County Clerk Carole Stewart, and Assistant County Clerk Mary Rushin---will be unveiled.

Then, the dedication will move to the new Apparatus Bay, where a similar plaque will be dedicated.

The public is cordially invited to participate in this dedication. Light refreshments will be served.
